Fresh, Healthier Juice at Home

Visit princesshouse.com
for juice recipes the whole
family will enjoy.

VIDA SANA™

COLD PRESS PRO JUICER

You deserve better than processed store-bought juices with added sugar, and our cold press juicer makes fresh juice right in your kitchen. Its quiet yet powerful slow juicing system extracts the most juice from your favorite fruits and vegetables without heat, maintaining more nutrients in every sip.

Along with a healthy diet that includes whole fruits and vegetables, freshly-made juice can be an easy and delicious way to consume a wider variety of produce – and their beneficial vitamins and minerals.

a COLD PRESS PRO JUICER

Sealed juicer compartment holds juice inside without leaking or dripping. Both the juice and pulp containers have a silicone base to keep them in place to prevent sliding and messes. Juicer (assembled): 17 $\frac{1}{2}$ "H. Juice cup: 4"D. Pulp cup: 3 $\frac{3}{4}$ "D. 5863 • \$399.95

COLD PRESS JUICING

When it comes to making juice – faster is not better or healthier! Some juicers quickly grind and process your produce, but this causes nutrients to be stripped away. **Slow juicing with our cold press method preserves more nutrients**, giving you and your family the most benefits from homemade juice.

VIDA SANA® 5-PLY STAINLESS STEEL

This innovative cookware is made for those who love healthy meals with lots of flavor. The unique Nutri-Steam Valve® together with the revolutionary Steam-Seal® lid allow for steaming veggies with very little water, and cooking meats without added oils. When tested using the Nutri-Seal™ cooking process, foods retained an average of 67.4% of their natural vitamins and nutrients.* And, when compared to traditional cooking, foods cooked up to 29% faster.** Backed by our limited lifetime warranty.

- Same great results when cooking on every stovetop, including induction.
- Go from stovetop to oven! Up to 350°F with lids and 450°F without lids.
- Broiler safe only without lids.

5-PLY CONSTRUCTION

18/10 stainless steel interior layer with Elite Satin finish for superior food release and easy cleaning, and 18/0 magnetic stainless steel exterior layer. 3-layer aluminum core for outstanding, even heat distribution.

- a 12-QT. DEEP CASSEROLE**

Choose the right pan for every recipe:

- **Saucepan** — shaped for heat retention and easy stirring while making soup or sauce.
- **Skillet** — most skillets have a long handle and wide, sloped edges to facilitate sauteing, searing, or pan-frying.
- **Casserole** — features shorter sides than a Dutch oven, it's great for low-and-slow cooking, for stews, or oven-baked casseroles.
- **Dutch Oven** — tall sides make it perfect for soups, stocks, and braises. Also ideal for deep-frying food.

Satisfaction guaranteed

Limited Lifetime Warranty

Princess House offers a limited lifetime warranty for many of our product lines. Specific warranty details for each product line can be found in the Care & Use manual packed with each product and at princesshouse.com in the product details pages.

Exchanges and Refunds

If for any reason you are not completely satisfied with your purchase, please return it to us along with your original sales receipt. We'll replace it, exchange it, or refund your money up to 45 days from the date of shipment (minus delivery fee).

Replacements at Half-price

Most Princess House items, as well as individual pieces or parts, can be replaced at just half the current suggested retail value — as long as the item is currently available. Simply return the broken or damaged item.

Ask about Layaway

An interest-free option for making payments over time is available. Ask your Consultant for details.
